PROFILE

Database Technology graduate with hands-on experience in database design, full-stack development, data analysis, and AI. Built a full-stack e-commerce platform (PHP/MySQL) as a graduation project and holds 30+ certifications spanning software engineering, cybersecurity, cloud/Azure, and generative AI. Also manages a 400,000+ follower social media presence, bringing strong communication and self-directed learning to any team.

TECHNICAL SKILLS

Programming & Databases: Python, Java, PHP, SQL, HTML/CSS/JavaScript, MySQL/MariaDB, Azure Synapse SQL Pool

Tools & Platforms: MS Excel, Power BI, Tableau, Kali Linux, Git/GitHub

Digital Marketing: Social Media Strategy, Google Ads, Content & Video Creation, Chatfuel Chatbots

AI & Emerging Tech: Generative AI, Computer Vision (Azure Cognitive Services), Cryptography, Information Security, Robotics

Design & Media: Adobe Photoshop, Illustrator, Premiere Pro, Canva

Languages: Kurdish (Native), English (C1/Advanced), Arabic (A1), Spanish (Basic)

EXPERIENCE

Social Media Manager & Sales Clerk — Harzan Bazary Gulia (Family Business)

Sep 2019 – Jun 2026

- Grew and managed a combined 400,000+ follower base across Instagram (297k), Facebook (72k), and TikTok (37.5k); planned content and ran paid campaigns (Google Ads, Facebook).
- Handled daily sales operations and customer service alongside digital marketing responsibilities.

Intern — Asiacell, Asas Internship Program

Aug – Sep 2025

- Completed a structured internship at Iraq's Asiacell telecom, gaining exposure to corporate operations and workflows.

Volunteer — Kurdistan Book Club

Jul 2019 – Aug 2020

- Supported community reading initiatives and events over a 13-month engagement.

PROJECTS

LIORA — Full-Stack Flower E-Commerce Platform (Graduation Project)

Mar 2026 – Jun 2026

- Designed and built a full-stack flower shopping platform combining e-commerce functionality with botanical education content.
- Stack: PHP, MySQL/MariaDB, JavaScript, HTML, CSS, with an emphasis on secure database design and query practices.

Data Analysis & Visualization Portfolio

github.com/sozmahmoud

- Developed 10+ projects using SQL, Excel, Tableau, Power BI, and Python/Pandas for data cleaning, analysis, and dashboard creation.

EDUCATION

Bachelor of Database Technology — Sulaimani Polytechnic University, Technical College of Informatics

2022 – 2026

High School Diploma — Jamal Tahir High School

2019 – 2022

SELECTED CERTIFICATIONS

- Data Analyst Bootcamp (2026) — Alexander Freberg
- Information Security, Software Engineering & Modern Database Systems — Saylor Academy (2024)
